

Pre-Determination Estimates

Estimating your dental care costs is simple. Asking your dentist for a pre-determination estimate* from Delta Dental before you agree to receive any recommended major treatment, lets you know up front what the plan will pay, and the difference you will be responsible for.

A pre-determination estimate is useful for costlier procedures such as:

- Crowns
- Wisdom-tooth extractions
- Implants
- Bridges
- Dentures
- Periodontal surgery

When your dentist submits a pre-determination estimate to Delta Dental, Delta Dental sends them an estimate of your share of the cost and how much Delta Dental will pay.

Dental care cost estimator

Our dental care cost estimator provides estimated cost ranges for common dental care needs. Our cost estimates reflect the range of fees charged by dentists in your area, both in and out of our dental networks. **Remember you will receive the greatest out-of-pocket savings if you see a Delta Dental PPO™ provider.**
